The Executive Officer informed the Board that the OPSC is continuing its outreach efforts to contact school districts that did not respond to the survey that was sent to financial hardship districts and anticipates a report will be presented at the September SAB meeting.

CONSENT ITEMS

In considering this item, the Board approved the consent calendar as presented. Ms. Kathleen Moore abstained from voting on all Elk Grove Unified School District items, but approved all others.

FINANCIAL REPORTS***Status of Funds***

The Board had questions regarding the number of applications that were not eligible for funding under the Emergency Repair Program. The Executive Officer informed the Board that the applications did not meet the intent of the emergency repair requirements because the requested amount for reimbursement was so small (from \$50 to \$250). The Executive Officer stated that three applications would be presented for funding consideration by the Board at the September or October meetings. The Board accepted the Status of Funds report as presented.

SPECIALS/APPEALS***State Relocatable Classroom Program***

In considering this item, the Board approved the staff recommendations with the following modifications:

- Allow for the disposition of relocatable classrooms regardless of age in order to phase out of the State Relocatable Classroom Program (SRCP) earlier than the suggested 15 years.
- Provide the Board with suggestions for ensuring that the relocatable classrooms are in good repair or will be used for non-classroom purposes when sold.
- In lieu of approving the immediate disposal of all relocatable classrooms older than 20 years of age, the OPSC was directed to incorporate the disposal plan into the phase-out proposal being presented to the Board. Specifically, the Board was interested in assuring that these buildings receive the same consideration as all other relocatable classrooms being sold or disposed of.

SPECIALS/APPEALS (con't.)***State Relocatable Classroom Program (con't.)***

When considering the Board Resolution (Attachment A), the staff was directed to modify the resolution to reflect the following:

- It is the Board's intent to retain all of the lease revenues for the 2006/07 Fiscal Year within the SRCP fund for the operation of the Program and for any decisions the Board makes on the future of this Program.
- Beginning with the 2007/08 Fiscal Year, the Board requires the OPSC to present an annual expenditure report for the Program no later than the September preceding each fiscal year.
- The Board will notify the Department of Finance of the funding needs for the Program no later than the September preceding each fiscal year.

In addition, the Board requested that:

- Staff report on the financial needs of the Program for the 2006/07 Fiscal Year at the October SAB meeting.
- Staff identify the amount of Program administration costs paid from bond funds.

Lastly, the Executive Officer asked to have a discussion with the Board, at a future meeting, regarding the issue of child care and migrant housing facilities. There's approximately \$3.5 million in the relocatable fund and the Board needs to make a decision whether the money should remain in the fund or proceed with legislative language that will transfer the money to other SAB-administered programs.
